Circular

M.Pharm (Sem-IV) student whose result of Mid Sem Exam is withheld.

This is to inform to all the institute Head of Pharmacy that, as per instruction of competent authority of GTU, the scrutiny committee has scrutinized all the cases of title change (Total 666 cases) done after ITD examination but before Mid sem examination. Out of all these cases, in 15 cases students have entirely changed their project after ITD exam. As entire project work has been changed by such students, the rational of ITD work has been compromised. Hence in all such cases, committee has given their opinion to withheld the result of Midsem component of all these 15 students. The list of such students is attached as an Annexure-1.

All these students have to appear in remedial Midsem exam going to be conducted during 1st Phase of Final Dissertation. After successful completion of the same they can able to appear in final dissertation during 2nd Phase.

This is issued as per direction of competent authority of GTU.
