## **Minutes of Meeting of Nodal Centre, Bhuj held at GEC, Bhuj on dt. 02.08.2013**

Nodal centre at Bhuj working for Vishwakarma Yojna is consisting of two units i.e. Government Engineering College, Bhuj and Government Polytechnic, Bhuj. This centre has completed the Phase-I of Vishwakarma Yojna, consisting of 4 villages, successfully. In the phase-II of this scheme three villages are included viz. Madhapar-Nava, Madhapar- Juna and Sukhpar.

The Selection of students at both the institutes was started in mid-July for the phase-II villages. The whole process of student selection at both the institutes was done strictly on merit basis and the students were selected considering their past academic record and their interest in scheme and interest in village.

After selecting candidates from Civil & Electrical Engineering branches, one joint introductory meeting was held for students and Nodal Officers of both institutes at Government Engineering College, Bhuj on dt. 02.08.2013.

The Participants in the Meeting were-

1. Shri (Dr.) H. R. Varia, Principal, GEC, BHUJ.
2. Prof. S. C. Rathod, A.P., Civil Department, GEC, BHUJ. (on behalf of Nodal officer Prof. A. I. Lalani)
3. Prof. Chudasama, A.P., Civil Department, GEC, BHUJ. (on behalf of Nodal officer Prof. A. I. Lalani)
4. Shri N. V. Thaker, Lecturer in Civil Engineering, GP, BHUJ.
5. Shri R. P. Vyas, Lecturer in Electrical Engineering, GP, BHUJ.

In the beginning of Meeting Mr. N.V. Thaker & Mr. R. P. Vyas, welcomed all students of GEC and GP, Bhuj. Every student gave their own Introduction. The format was given to students to furnish their contact details like Mobile number and E-mail Ids. Also, the introduction of all concerned nodal officers, were given to each students.

After that Mr. N. V. Thaker has given the brief Introduction about the Vishwakarma Yojna to all students and the procedures to be followed during final year of their study.

Shri N. V. Thaker conveyed the format for Techno-Economical Survey to be conducted by the students for Respective Villages. He instructed all students to attend the work-shop at Rajkot, on 12<sup>th</sup> August, 2013.

Mr. Thaker shared his past experience regarding Phase-I of Vishwakarma Yojna and told how the work was done in Phase-I, so that new students can understand the working environment of Vishwakarma Yojna. Some more students who were interested in the scheme asked how to join the scheme. They were instructed to join the working team as an IDP/UDP team member in the limited number, as decided by the local Civil Engineering Department.

Mr. R. P. Vyas, Mr. S.C. Rathod and Mr. N.V. Thaker told students to have proper co-ordination with One another and with all concerned Faculty members for proper execution of project. They Explained students about the stipend Policy of GTU about Vishwakarma Yojna. They were instructed to maintain Log-Book for their work done for the scheme at Villages.

Principal Dr. H. R. Varia, greeted all students for joining Vishwakarma Scheme for Phase-II and he also shared his thoughts regarding this scheme. He also discussed different aspects of village development with students and Nodal officers.

The meeting ended with great enthusiasm and zeal.

The final list of Students and Nodal officers is attached herewith.
