Technological
University
(GTU)**

GTU Innovation Council (GIC)

Organizes

Faculty Development Programme for

“Training of Trainers on Patent Search & Analysis Report (PSAR) Generation”

For Faculties of GTU affiliated Engineering colleges in Saurashtra On
5th October 2013, Saturday at

Atmiya Institute of Technology & Science, Rajkot

**GTU affiliated Degree eng colleges of Sankuls (Rajkot-1/2/3, Morbi, Kutch, Jamnagar,
Junagarh, Bhavnagar and Surendranagar are required to participate)**

GTU has been consistently making efforts to ensure that every single IDP/UDP become more original and relevant to the users. To reduce the possibility of reinventing wheel and to increase the originality quotient of the projects we have introduced some new approaches. Ref- <http://projects.gtu.ac.in/patentSearch.jsp> , each student of current final year while submitting the required data as a part of the project tracking and mentoring platform is required to study 5 patents from open source domain and try to analyse them. We have arranged series of capacity building workshops for faculty members and students and trained them by now to let them better understand the process and its relevance. As every student in final year BE is required to make the said exercise during this month, we appeal to colleges in Rajkot and surrounding area to nominate at least one faculty member from each department for the proposed FDP workshop on 5th October 2013 (more can also attend). **Any interested faculty member from any other zone/area can also attend this workshop.**

By attending this workshop, faculties can guide their students on how to study patents, what are the questions they have to answer and from where they can get information to generate online PSAR. The training material will be shared with all faculty members so that they can take similar sessions for all their current final year students after going back to their colleges. We would like to see that every single GTU affiliated Degree Engg College must ensure that the nominated faculty members get trained and train their students afterwards.

Registration: Faculty members can self-nominate or get recommended by the college authority and submit their names via given link:

https://docs.google.com/a/gtu.edu.in/forms/d/1Qqy_92raBA8ub1jpM7hyLIWIENocN4-QrJUuLDliiZo/viewform

Objective:

By attending this workshop, faculty can guide their respective students in a better way about how to read and study patent; how to prepare online report and how to prepare Summary of 5 related patents.

Calendar of events:

- Last date of receipt of application: 4th October 2013, Friday (Before 01.00 PM)
- Date of intimation of selection: 4th October 2013, Friday (By 03.00 PM)
- Program Dates: 5th October 2013 (Saturday)
- Event will run from 09:30 AM to 05:00 PM

Venue: *Atmiya Institute of Technology & Science, Kalawad Road, Rajkot*
