Which is why we believe M-Tutor is handcrafted for you, and all that you aspire will get fulfilled if you log into, www.m-tutor.com

M-Tutor - A conceptual learning tool takes learning beyond classrooms. Designed to make learning intuitive, fun and on the go. Our course modules offer digitally **interactive** and **stimulative** content, making learning a pleasurable and an unconditional outcome based activity.

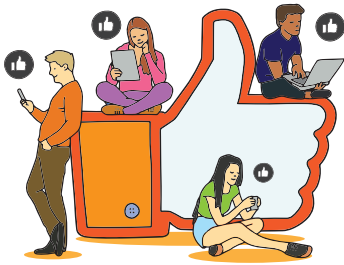

THE STUDENT ADVANTAGE

- Interactive and effective learning platform.
- Rich graphic-aided content to increase your retention power.
- Course content is aligned to your University curriculum.
- Conceptual learning methods to make your syllabus relatable to real life.
- Assessments and tests, that facilitates self-evaluation of your knowledge.
- Question banks and quizzes that simplifies and enhances your revision process.

INSTITUTIONS ADVANTAGE

- Agile tool for dynamic and comprehensive teaching.
- Makes education a qualitative and wholesome experience.
- Analysis tool to monitor students performance
- Promotes activity-based and interactive learning methodologies.
- Ensures a cohesive bond between students and faculties.

TESTIMONIALS

M-Tutor is one of the best learning platforms I have ever used. The easy – to – use interface coupled with structured learning modules making it highly useful for Engineering students like us.

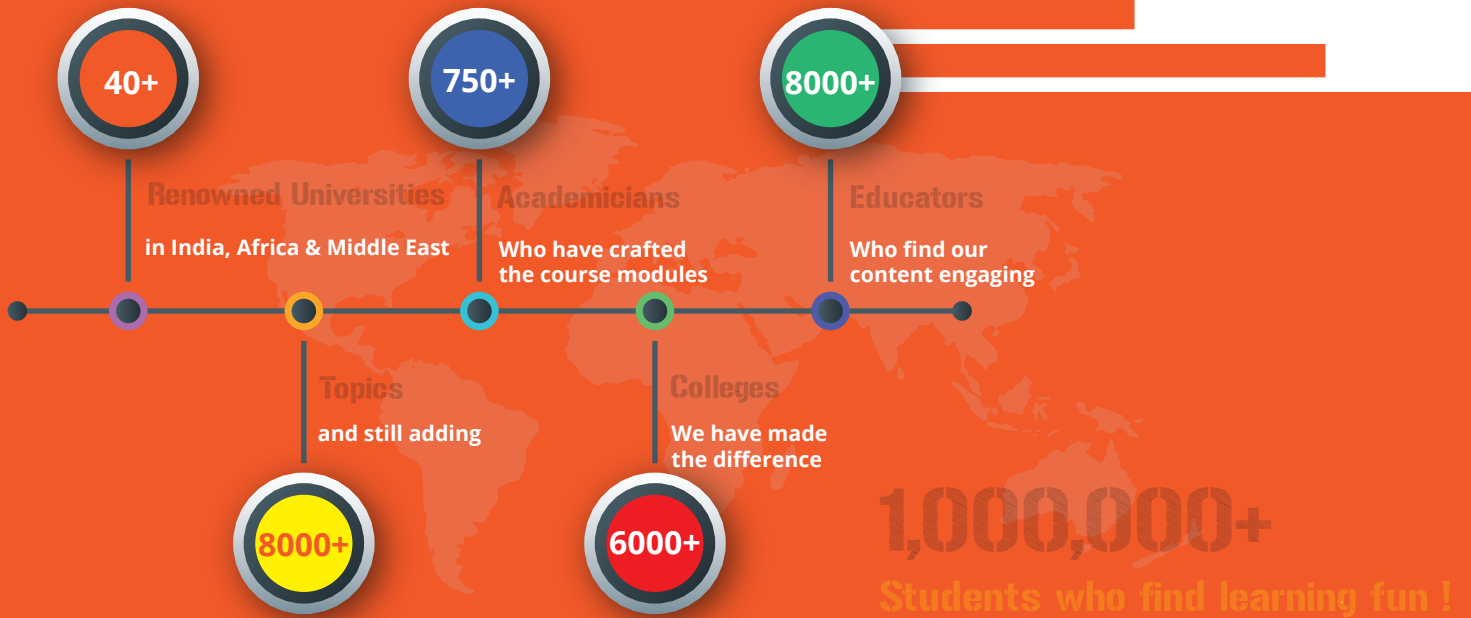

Swetha | Student | Anna University

This teaching tool is so very wonderful, as all its lessons follow a step wise approach conceptually and contextually. Certainly a boon to all the students and teachers.

Prof. Dr. Kamal K Kar | Professor | IIT, Kanpur

MTutor serves as a reliable source of knowledge. It helps students efficiently understand concept with their videos and course material.

Manish Dixit | Student | Dr. A.P.J Abdul Kalam Technical University
