

Gujarat Technical University

Login Process - Gujarat Technological University

Introduction

This presentation will take you through the Login Process

Steps

- ❖ Log on to www.m-tutor.com
- ❖ Click “**Login**” button from the website header

- ❖ Enter the given user credentials, User Name is your “**Mobile Number**” and type in the given “**Password**”

A screenshot of the M-Tutor login interface. The form is titled "Login to your M-Tutor account" and includes a close button (X) in the top right corner. It features two input fields: "Mobile Number / Email Id" and "Password". The "Mobile Number / Email Id" field contains a masked input "*****" and is annotated with a speech bubble that says "Enter your user name 'Mobile Number'". Below this field is the text "The Mobile Number/email address you used to register with M-tutor". The "Password" field contains a masked input "*****" and is annotated with a speech bubble that says "Enter your 'Password'". To the right of the password field is a link for "Forgot Password?". Below the input fields is a large blue "Login" button, which is circled in blue. At the bottom of the form, there is a section for "New to M-tutor?" with a "Sign Up" button.

❖ Once logged in, you can choose the required subject from the dropdown list

❖ Videos will be listed for you to choose and watch

Happy Learning!!!

The screenshot shows the m-tutor website interface. At the top, there is a navigation bar with the m-tutor logo, a search bar containing 'Engineering Mathemat', and a search icon. Below the navigation bar, there are two tabs: 'TOPIC LIST' (selected) and 'MULTIPLE CHOICE QUESTIONS'. The main content area is titled 'Engineering Mathematics (127 Topics)' and includes a 'Unit: All Unit' dropdown and a 'View: [grid icon]' dropdown. A vertical green sidebar on the right contains a chat icon and a share icon. The main content displays a grid of video thumbnails with the following details:

Video Title	Views	Rating
Applications of Linear Differential Equation: ...	13120 views	★ 3.17
Applications of Linear Differential Equation: Non-...	20034 views	★ 3.2
Curve Fitting: Least Squares, its Principles and ...	14103 views	★ 4
Differential Equations of First Order: ...	16578 views	★ 4.9
