

VVP Engineering College

राष्ट्राय स्वाहा इदं न मम् ।

V.V.P. Engineering College - Civil Engineering Department has organized an expert talk of Shree Mansukhbhai Suvagiya (President - Jalkranti Trust) on success story of check dam and awareness of health on 20.07.16

Expert talk begins with prayer which was sung by 5th semester student Geveriya nikunj. Then Principal Dr. Sachin Parikh gave welcome speech.

Shri Mansukhbhai Suvagiya share success stories of check dams. He gave names of villages also and explain about jamka village where he and villagers build 51 check dams and 3 reservoir only in 10 Lakhs. This was the first attempt in our country that one villagers build this numbers of check dams without any help of government. The main thing is that persons which has no knowledge of any construction technology has made this number of check dams. This miracle only happened because of shri Mansukhbhai.

Shree Mansukhbhai Suvagiya also talk about health awareness.

At the end of seminar students get motivated and get valuable suggestions for succeeding in life.

This Expert talk ends with Rastra Geet “ Jan Gan Man”.

This expert talk was anchored by Rujul Mankad Madam and expert talk was Successfully happened only because of an important contribution of prof. Hitesh ashani , Prof.Sharad Gajera & all staff.
