GTU Innovation Council Organizes Workshop on
Building Regional Innovation and Student Startup Ecosystem
Date: 2nd Jan, 2018 (Tuesday)

Under the visionary leadership of Hon' Vice Chancellor, GTU, Prof. (Dr.) Navin Sheth, GTU Innovation Council has started the regional centre for Innovation and Start-up at Rajkot, Baroda and Surat. GTU Innovation Council aim to nurture creativity and innovation within the University community and has been designed to act as a catalyst of change for the whole of the society.GTU has its own incubation centre with more than 30 Startup incubated and 17 Startups have got Rs. 1.25 Cr as Financial Assistance for Prototype Development under Startup Policy of the Gujarat State.

Building Regional Innovation and Student Startup Ecosystem

The purpose of setting up regional innovation & start-up center is to decentralize the student innovation & start-up support system so that innovators can fetch benefits at their doorstep. We are setting up both physical centers and virtual helping mechanism for the above purpose. Innovation clubs of nearby institutes and all others stakeholders will play crucial role in creating regional ecosystem. We are keen to keep the efforts student centric so that so that students can not only be the beneficiary but also they can help co-creating various interventions to help student innovators and start-ups.

GTU Innovation Council has planned to have one day workshop on how to build regional innovation and student startup ecosystem with specific sessions / panel discussion involving experts from various sectors and student entrepreneurs at V.V.Nagar.
