Date: 28-12-2017

CIRCULAR

To,

All Principals/Deans/Directors of Engineering/Polytechnic/ MCA/Architecture/MBA

Subject: GTU Annual Tech-fest 2018

As per directives of Honorable Vice Chancellor GTU, the organizing committee of University is gearing up to rejuvenate the annual Tech-Fest of GTU to deliver better impact.

Core agenda of this program would be as below:

Participation of students from maximum institutes: Multiple colleges to host series of sub activities under it at Zone/regional level rather than single Zone level Host

For the students by the students: Student conveners from all institute level festivals will be involved right from conceptualization to execution

Improve the quality of central program/event: Along with final rounds of regional events, some new activities will be hosted only at central level

Central Fest will have to be inclusive: Multiple institutes will also take ownership in managing the central program for better synergy, impact & sustainability

Sector/Domain agnostic: Activities at all layers will not only be from engineering domain but it will comprise all streams of GTU like Management, Pharmacy and other domains too.

Key goal: It will be an annual program to give a platform to showcase, celebrate and support Creativity, Innovation & Entrepreneurial endeavors of students of GTU

Long term core competency building: By making decentralization of the fest, GTU wish that as many possible institutes will specialize in particular domain of interest/program and host similar set of programs for next 3-5 years based on their core competencies

Quality of efforts and impact at par with national & international level: Best practices of all GTU institutes and others will be looked into and additional resources will be pumped in to take each endeavor to next stage. A state level advisory committee will be set up comprising best persons in this domain from state and national level. GTU will set up a dedicated cell which will facilitate it to carry forward the spirit year on year.

Winners of : ICT Enabled University Award E-India - 2009 ❖ Manthan Award - 2009 ❖ GESIA Award - 2011
❖ Digital Learning WES - 2011 Award ❖ AIMS International Innovative University Award - 2013

Sooner a workshop will be held at GTU Chaired by Hon. VC GTU, involving institutes who are hosting their own fest or interested to co-host some of the regional/central efforts under tech-fest this year. In this workshop, University will invite college authorities, faculty conveners, student conveners of interested institutes and create a detailed roadmap for this year program.

For the above, we would like to have some of the data in below format so that we could act upon this sooner:

Survey-1: Data of Institutes who have planned for own institute level Tech-fest/Business Festival and similar annual events this academic year for students related to research/technology/innovation/entrepreneurship/allied things

➤ Registration Link: <https://goo.gl/forms/Jd3zO8KusrIx1kJO2>

Survey-2: Data of institutes who are interested in hosting set of GTU Tech-fest events in particular Zone/region in Gujarat

➤ Registration Link: <https://goo.gl/forms/9w3Sy29x3W8SWfP52>

Looking forward to have your active inputs and cooperation so that together we could achieve the larger goal while harnessing creative potential of our young minds.

Last Date for Invite the Application: 06 January 2018
