GTU Innovation Council is making strong efforts to promote the culture of Innovation & IPR at all layers. As a part of its support system, GIC is creating infrastructure to support innovation & allied processes. To support IPR related efforts GTU has initiated patent clinic and allied initiatives. We have procured various software and tools which will help students and faculty members to do professional Prior Art Search, PAS to check novelty of their innovations, student projects and start-ups. We wish more and more students should benefit from such facilities.

For patent related efforts GTU has procured the tool, Patseer. Innovators, students can leverage it even remotely. IPR faculty coordinator of GIC club of each institute affiliated to GTU can reach out to us through mail so that they can access the remote log in to benefit from it. Colleges who wish to help their students in patent filing can leverage this benefit.

To access the tool and to have remote log in colleges can reach out to Mr. Amit Patel (Assistant Professor), contact at 9228345020 & mail at ipr_projectofficer@gtu.edu.in.
