About GTU & ITAP

Gujarat Technological University (GTU) is a premier academic and research institution which has driven new ways of thinking since its 2007 founding, established by the Government of Gujarat vide Gujarat Act No. 20 of 2007. GTU is a State University with 486 affiliated colleges in its fold operating across the state of Gujarat through its FIVE zones at Ahmedabad, Gandhinagar, Vallabh Vidyanagar, Rajkot and Surat. The University caters to the fields of Engineering, Architecture, Management, Pharmacy and Computer Science. The University has about 4 lakh students enrolled in a large number of Diploma, Under Graduate, Post Graduate programs along with the robust Doctoral program.

GTU is associated with Institute and Student development activity right through its inception. In the same direction GTU has established “Integrated Training & Placement (ITAP) Cell”, wings to support Institutes to enhance employability skill in students which help their students to get job and also it would help them to fit in turbulence environment. This Cell also works for development of entrepreneur skills, which helps students to established new business generate employability for society.

- Enhance awareness regarding corporate professionalism
- Enhance soft skills and Employability skills
- Development of Entrepreneurship skill of students
- Specific focus on how stakeholders (Students) will able to fit with today’s turbulence Environment of corporate.
