Awareness Session on Intellectual Property Rights

16 February 2018 | 1000 hr onwards | CII House, Ahmedabad

In this highly competitive knowledge economy, the importance of protecting an Intellectual Property (IP) is crucial for any business entity, more particularly SMEs. In the present day, almost in every aspects of the business operations, for example inventions, works of creative or intellectual effort, name and logo of the company, designs have great competitive edge to leverage through Intellectual Property Rights.

Trade Related Aspects of Intellectual Property Rights (TRIPS)) has duly recognized the importance of the IPR for SMEs, as a tool to prosper in this highly competitive and rapidly changing economy. However many SMEs are still not aware about IPR and thus they are not able to reap the benefits of their intellectual creations, thereby, not getting compensated for their creations and innovative culture.

With a view to enhance awareness about Intellectual Property Rights among various stakeholders and to take measures towards protecting their innovative ideas, **Confederation of Indian Industry (CII)** in collaboration with **Indian Patent Office, Department of Industrial Policy & Promotion, Ministry of Commerce & Industry, Government of India** and **Gujarat Technological University** is organizing a one day **Awareness Session on IPR & National IP Policy** on **16 February 2018**, at **CII House, Ahmedabad, Gujarat**.
