Sub:- 04 week training with certification especially for fourth year level students – reg.

Sir,

National Power Training institute (NPTI) has infrastructure for providing specialized training in the areas of Power Sector especially in Thermal, Hydro Sub-stations, System Operations, Hot Line Maintenance and related areas. In order to develop the competency for Electrical and Mechanical students especially at fourth year level of your Institution, NPTI has planned to provide 4-week training with certification. The Training Fee for Academic Institutes have been fixed as Rs.30,000/- per candidate which includes accommodation and training material. The students will be elevated at the end of the training program and a Certificate will be issued. Also, NPTI Officers of respective Regions may provide On-site training, if requested, for one week. The practical training will be conducted at NPTI only. The fee will remain same. It is requested to give wide circulation amongst the interested students who inspire to join the Utilities. Since the seats are limited, an early confirmation and willingness may be sent to the Corporate Office at the following address:

Shri J.S.S. Rao
Principal Director (CP&M)
National Power Training Institute
