Sub: Student Innovators & Start-ups to benefit from GTU SSIP Grants

Dear Sir/Madam

GTU has been at forefront in the sphere of student innovation & start-up ecosystem development. To carry forward the efforts for the above and by taking early insights from interventions at GTU, Gujarat has developed a Student Start-up & Innovation Policy, SSIP at State level with a commitment of 100 Crore INR grant for student innovators and start-ups.

This will primarily facilitate and pre-incubate innovative ideas to go through a stage of proof of concept, prototype, product, testing & trial, redesign and deliver innovative solutions catering to end users. The Broad objective is to harness creative potential of young students across universities and educational institutions.

As a part of this GTU will extend support for the below by this academic year:

- Support up to 25,000 INR for filing IPR for 125 Student Innovators/Start-ups
- Support up to 200,000 INR for Prototyping support for 200 Student Innovators/Start-ups at POC stage

GTU affiliating institutes are encouraged to take maximum benefit from this. Each affiliating institute should form technical committees at their college level and scout best student/alumni projects/innovations/start-ups which are worth taking forward and then recommend for support for above through GTU Innovation Council portal. Detailed information for the same will be shared separately with all colleges.
