Virtual Academy: Patent Filing Procedures in India; Ashish M. Kothari

Wed, Mar 1, 2017 3:30 PM - 4:30 PM IST

Registration URL: <https://attendee.gotowebinar.com/register/3460973813085996546>

Description:

Have you invented or do you have some innovative idea? If your answer to this question is yes then go for filing the patent. Patent, A Techno-legal document is a protection granted by the government giving an inventor the exclusive right to make, use and sell an invention for the specified number of years. This webinar will cover following areas.

- What patent is?
- Who can file the patent?
- What can and cannot be patented?
- What is the procedure of filing the patent in India?
- Information regarding forms, fee structure and timeline of filing patent in India.

Presenter:

Dr. Ashish M. Kothari is Associate Professor and Head of Electronics and Communication Engineering at Atmiya Institute of Technology and Science, Rajkot, Gujarat, India.
